

NO.	CHINESE NAME	DESCRIPTION	NO.	CHINESE NAME	DESCRIPTION
1		fuse	45		Terminal block support
2		The thermostat (s) 1	46		Lower rear beam of cavity
3		The thermostat 2	47		Cable U clamp
4		Rear insulation cotton cover plate	48		Clamp holder
5		Back the heat insulation cotton	49		A cooling fan
6		Left rear strengthening Angle of working table	50		Temperature controlled probe clamp
7		Right rear strengthening Angle of working table	51		The tank back plate
8		Exhaust pipe	52		switch
9		Connecting plate on working table	53		thermostat
10		Cavity insulation cotton	54		The power switch
11		Furnace lights	55		Working table left front fitting
12		After a feet	56		Right front connector for Working table
13		Socket mounting bracket	57		The control panel
14		The furnace plate socket	58		Residual temperature indicator light
15		(new tray	59		Locating spring clip
16		A big tray	60		A knob
17		Small stove	61		Right side plate of tank
18		big stove	62		The tank front board
19		Hot plate small round cover	63		Hinge seat
20		Working table	64		Before the plate beam
21		Water baffle	65		Front panel decorative panel
22		Baffle cover	66		Cavity seal strip
23		Working table heat shield	67		Hinge bracket left
24		Top insulation cotton retaining plate	68		Hinge bracket right
25		The tank upper	69		Cushion left
26		The upper heating element	70		Cushion right
27		crumb tray	71		hinge
28		Lower heating element	72		the innest Door glass
29		Fixed plate for Lower heating element	73		The middle glass door
30		Drawer heat shield	74		The glass door with LOGO
31		Slippery course	75		The door clip
32		Foot mounting plate	76		The door cover
33		feet	77		Door handle - 4
34		Fixed block	78		The drawer bottom
35		Expansion of colloidal particles	79		Drawer board
36		Left side plate of Tank	80		The drawer panel
37		The lateral panel	81		Drawer silicone pad
38			82		The drawer handle
39		Cooling fan protection net	83		wire
40		Cooling fan cover	84		bake tray
41		the small back plate	85		Locating stud
42		The back plate	86		Support the hook
43		Counter weight	87		Locate the column
44		socket	88		Support the hook clamp
