

NO.	CHINESE NAME	DESCRIPTION	NO.	CHINESE NAME	DESCRIPTION
1		fuse	46		socket
2		The thermostat (s) 1	47		Terminal block support
3		The thermostat 2	48		Lower rear beam of cavity
4		Rear insulation cotton cover plate	49		A cooling fan
5		Back the heat insulation cotton	50		The tank back plate
6		Left rear strengthening Angle of working table	51		Temperature controlled probe clamp
7		Right rear strengthening Angle of working table	52		switch
8		Exhaust pipe	53		thermostat
9		Connecting plate on working table	54		The power switch
10		Furnace lights	55		Working table left front fitting
11		Cavity insulation cotton	56		Right front connector for Working table
12		back feet	57		The control panel
13		Socket mounting bracket	58		Residual temperature indicator light
14		The furnace plate socket	59		Locating spring clip
15		small tray	60		knobs
16		big tray	61		Right side plate of tank
17		Small stove	62		The tank front board
18		big stove	63		Hinge seat
19		Hot plate small round cover	64		Before the plate beam
20		Working table	65		Front panel decorative panel
21		Water baffle	66		Cavity seal strip
22		Baffle cover	67		Hinge bracket left
23		Working table heat shield	68		Hinge bracket right
24		Top insulation cotton retaining plate	69		Cushion left
25		The tank upper	70		Cushion right
26		The upper heating element	71		hinge
27		crumb tray	72		the innermost Door glass
28		Lower heating element	73		The middle glass door
29		Fixed plate for Lower heating element	74		The glass door with LOGO
30		Drawer heat shield	75		The door clip
31		Foot mounting plate	76		The door cover
32		feet	77		Door handle - 4
33		Fixed block	78		The drawer bottom
34		Expansion of colloidal particles	79		Drawer board
35		Slippery course	80		The drawer panel
36		Left side plate of Tank	81		The drawer handle
37		The lateral panel	82		Drawer silicone pad
38		The side panel	83		wire
39		Cooling fan protection net	84		bake tray
40		Cooling fan cover	85		Locating stud
41		the small back plate	86		Support the hook
42		The back plate	87		Locate the column
43		Counter weight	88		Support the hook clamp
44		Cable U clamp	89		The 120 minute timer
45		Clamp holder
